ORDER:

In the reference 1st read above, Government have accorded permission for drawl of 1 MLD i.e., 0.41 cusecs water (12.89 Mcft per annum) from Samalkota Canal to M/s.KPR Fertilizers Limited, Biccavole, East Godavari District for consumptive use for industrial purpose for a period of two years duly mentioning certain conditions.

2. In the reference 2nd read above, the Engineer-in-Chief(Irrigation), Hyderabad has submitted the proposals and requested the Government to communicate necessary renewal permission for drawl of 1 MLD i.e., 0.41 cusecs water (12.89 MCFT per annum) by M/s. K.P.R. Fertilizers Limited from Samalkot Canal at Km.30.517 for a further period of 5 years for consumptive use @ Rs.4.50 per 1000 gallons as per G.O.Ms.No.39, I&CAD (PW:QC&IWS/COD) Department, dated:02.04.2002 and shall pay at revised rates fixed by the Government from time to time, with usual terms and conditions and subject to the concurrence of District Collector, East Godavari District and clearance of Pollution Control Board. The Engineer-in-Chief(Irrigation) has also stated that the firm has not drawn water from canal so far and there are no dues to be paid by the agency towards royalty charges for consumptive use of water from Samalkot canal and they have been facing problems for construction of pump house and laying of pipeline from the local washer men and local farmers, which are now resolved and hence the construction of pump house and pipe lines would be started in the ensuing summer season in May, 2015.

3. Government after careful examination, hereby accord renewal permission for drawl of 1 MLD i.e., 0.41 cusecs water (12.89 MCFT per annum) by M/s. K.P.R. Fertilizers Limited from Samalkot Canal at Km.30.517 for a further period of 5 years for consumptive use @ Rs.4.50 per 1000 gallons as per G.O.Ms.No.39, I&CAD(PW:QC&IWS/COD) Department, dated:02.04.2002 and shall pay at revised rates fixed by the Government from time to time, with usual terms and conditions and subject to the concurrence of District Collector, East Godavari and clearance of Pollution Control Board.

P.T.O.,

4. The following condition is added to the conditions already mentioned in the reference 1st read above, which needs no revision:-

“The Irrigation Department is in no way responsible for non supply of water at source due to any reasons which are beyond the control of the Department. The Company has to make their own alternative arrangements to store water during canal closure period and also during rabi season as and when scarcity of water is reported”.

5. The Engineer-in-Chief (Irrigation), Hyderabad shall take necessary action in the matter, accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

ADITYA NATH DAS,
PRINCIPAL SECRETARY TO GOVERNMENT.
